WEDNESDAY EVENING, JULY 1.

CITY COUNCIL.—The proceedings of the Board of Aldermen, at the meeting of the City Council last night, are noticed officially in another column.

In the chamber of the Common Council, the President directed the clerk to read the following communication from the Mayor:

MAYOR'S OFFICE, June 30th, 1868.

To the Honorable City Council:
GENTLEMEN: It is important that the city should have a Board of Health at this time. I have convened you together that you may appear said Board without delay. Hoping that your views may meet with your concurrence, I am, yours, &c.,
W. N. BARKLEY, Mayor.

The President of the Board of Health, at the meeting of the City Council last night, directed the clerk to refer to the proceedings of the preceding Council, and inform the Board who constituted the Board of Health.

The clerk replied that upon reference to the proceedings of the preceding Council he had found that the old Board of Health was composed of the following members: James Entwistle, Jr., C. L. Berry, J. W. Atkinson, E. F. Wimer, W. J. Summers, Benoni Wheat, John W. Green, W. H. Muir, and John A. Dixon.

Mr. Morris stated that he had been informed that the members of the old Board had declined to serve any longer.

The President stated that perhaps such a determination had been arrived at in consequence of the supposition entertained by those gentlemen that they would be required to take the iron-clad oath.

Mr. McKenzie moved that the Board of Aldermen be informed that the Common Council was in session, and ready to proceed with the election of the remaining municipal officers. The motion was carried, and Mr. McKenzie was requested by the President to inform the Board of the adoption of his motion.

Mr. Stewart, from the Committee on Gas, reported favorably on the resolution directing the erection of gaspans at the intersection of Water with Gibbons and Franklin streets, and the report was adopted.

Mr. Harmon offered a resolution, which was adopted, requiring the scavenger to deposit the night soil at a distance of one quarter of a mile beyond the city limits.

The President directed the clerk to read the following legal opinion of the Attorney for the Corporation:

To the City Council of Alexandria:
Respectfully reports as follows in the matter of J. McCarty Chichester's application for the issue to him of a new coupon bond, in place of the one owned and held by him:

The owner of a lost coupon bond may lawfully demand payment of it, at maturity, notwithstanding the loss, upon tendering to the holder of the bond sufficient indemnity against the possible demand of an innocent holder.

In the same way the owner of the lost bond may lawfully demand payment of each successive coupon, as it becomes due, upon tendering the same.

He has no right, however, to demand the issue of a new bond in the place of the lost one. The maker of the bond does not engage to supply the holder with another in case the first should be lost.

The maker fully discharges his obligation when he pays the bond according to its tenor. In the present case, therefore, the Corporation, upon tender of sufficient indemnity, will be bound to pay the coupons, undetached at the time of loss and now due, precisely as it would be bound to pay them on presentation of the coupons themselves.

So, also, of coupons hereafter to become due, and of the principal itself, when that becomes due.

The legal obligation of the Corporation extends no further. S. FERGUSON BEACH, Attorney for Corporation.

June 24, 1868.

After some remarks by Mr. Massey in opposition to the granting of Mr. Chichester's petition for the issue of a duplicate bond for one lost, in which the difference between registered and coupon bonds was illustrated, and by Mr. McKenzie, in favor of granting the petition, the opinion of Mr. Beach was accepted, and referred to the Board of Aldermen.

Several bills against the Corporation were then re-referred, on motion of Mr. Massey, to a committee with authority to order their payment, if found correct.

The Board of Aldermen then entered the Chamber, and the two Boards in Convention, proceeded to complete the election of the city officers.

The President stated that the election of a Board of Health was the first business in order; and Mr. McKenzie nominated, as members of that Board, Joseph Grimes and C. W. Nowland, for the 1st Ward; Robert Jamieson and C. P. Shaw, for the 2d; W. L. Penn and Samuel Beach, for the 3d; and J. W. Atkinson and W. J. Summers, for the 4th.

Mr. Arnold suggested that the name of John be substituted for that of W. J. Summers, as the last named gentleman had informed him that he could not serve in that capacity any longer.

Mr. Clark nominated Robert Hodgkin in the place of Samuel Beach.

Mr. Massey thanked Mr. McKenzie for his attention to the Third Ward in selecting the members of the Board of Health for that Ward, but nominated instead of W. L. Penn and Samuel Beach, Robert Hodgkin and Jno. T. Armstrong.

Mr. McKenzie had made the nominations, for the whole Board with the sole desire of facilitating business, and had no objection in the world to the substitution of one, or of eight names for those he had designated.

Mr. Massey moved that he vote by ballot be dispersed with in the election of members of the Board of Health, and Mr. McKenzie's selections, as amended by Messrs. Arnold, Clark and Massey were, on the question being taken, declared unanimously elected.

The President then stated that in the election of municipal officers, that of the four Physicians to the Poor came next in order.

Mr. McKenzie asked for the names of the gentlemen then filling these offices, and was informed that Drs. Gregory, French, Adam and West had been elected by the preceding council.

Mr. Bell stated that a petition had been presented to the City Council by members of a Christian society asking that the dispensation of medicines to the poor be given to a member of that society, which had not been acted upon, but he would vote for a member of that society, if a physician, for one of the four offices to be filled.

Mr. Martin nominated Dr. J. B. Johnson. Mr. Massey nominated Dr. W. Leon Hammond, and stated that he was a gentleman of acknowledged skill in his profession, and that if elected he would discharge the duties of the office faithfully and conscientiously. Dr. Hammond had no idea that he (Mr. Massey) was to nominate him, but he had taken the responsibility, of doing so from his knowledge of the man and his desire to see energy, skill and proficiency rewarded.

Mr. Neale nominated Dr. G. S. King. Mr. Shirley nominated Dr. William Gibson. The President said it was always considered that the old officers were candidates for re-election.

A ballot was then taken, with the following result: Hammond, 15; Gregory, 14; Gibson, 12; French, 11; Adam, 10; King, 6; West, 6; Johnson, 1.

Drs. Hammond and Gregory having each received more than the number of votes requisite, viz. 13, were declared duly elected and after some remarks by Mr. Massey in favor of the election of Dr. King, a second ballot was taken, and the result announced as follows: Gibson, 14; King, 11; French, 9; Adam, 5; and Johnson, 1.

Dr. Gibson having received on this ballot more than the requisite number of votes, was declared elected, and a third ballot elected no one—the vote standing King, 10; French, 6; and Adam, 4.

Mr. Massey said that when Dr. French was a younger man than at present, and when he (Mr. Massey) was in Council, he had voted for him as a physician to the poor, as was then the custom of the Council, in order to bring young practitioners into notice, but that now Dr. French, in addition to the income he derived from his other practice received from \$100 to \$125 per month for services rendered at Battery Rodgers, and that, in his opinion, the Council would act wisely in electing a younger and more necessitous man to fill the office—especially as he did not know that even were Dr. French elected, he would perform the duties of the office.

Mr. Martin said that if the office was to be given to him who needed it most, Dr. Adam should certainly be the successful candidate; and besides Dr. Adam was a charitable man, always ready to render his assistance to those who required it, without inquiring whether he was to be paid for his services or not. He too was one of the old residents of the city, and should be elected in preference to strangers.

Mr. Shirley, in a conversation with the Superintendent of the Poor's House, had been informed that Drs. French and Adam were untiring in their attendance upon the city's poor. They were both excellent physicians—just such as should be elected—for he thought that poor people were just as much entitled to good medical attendance as rich people, and he was not of those who believed that young physicians ought to obtain their experience by practising upon the needy and destitute.

A fourth ballot was then taken which, however, again resulted in no election—the vote standing Adam 12, King 7, and French 1.

Mr. Shirley, as Mr. Brewis had previously done, withdrew the names of Dr. French, and on the fifth ballot Dr. Adam was elected—receiving 15 votes to Dr. King 5.

Mr. Massey moved that Dr. Gregory be designated Health officer, which would make him, ex-officio, President of the Board of Health, and the vote by ballot being suspended, the motion was unanimously carried.

The Weigher of Hay was the next officer to be elected, and for that position Mr. McKenzie nominated the incumbent, Mr. F. M. Weedon, but hoped that gentleman in future would not charge so much for mending looks.

Mr. Neale nominated R. W. Davis. The President caused the Clerk to read the following petition:

ALEXANDRIA, VA., May 25th, 1868.
Honorable Council in Council Assembled:
GENTLEMEN: I have the honor to respectfully apply to your honorable body, for the position of Weigher of Hay. Hoping you may grant my request.

I have the honor to be, most respectfully, your obedient servant,
CHARLES GORDON.

Some inquiry was made as to the identity of the petitioner, but no satisfactory answer could be obtained.

A ballot having been taken, Mr. Weedon was elected, he receiving 15 votes, Davis 3, and Gordon 1.

The next officer to be elected was the Keeper of the Town Clock, and for this position Mr. McKenzie nominated the incumbent, Major George Duffey.

Mr. Massey nominated E. S. Fleming. Mr. Duffey was elected on the first ballot—he receiving 16 votes, to Mr. Fleming's 3.

The election of Inspector of Beef and Pork, was, on motion, passed over.

The office of City Scavenger was then to be filled, and for this position the following petitions were read by the Clerk in their appended order:

ALEXANDRIA, VA., April 20th, 1868.
To the Honorable Board of Aldermen and Common Council, Alexandria, Va.
Your petitioner begs leave to present this petition to your honorable bodies requesting that he may be appointed to the position of City Scavenger in the event of a change being made in that office, and to draw your attention to the names of our citizens named hereto.

HIRSH H. ARNOLD.

ALEXANDRIA, VA., April 18th, 1868.
To the Honorable City Council:

ALEXANDRIA, VA., May 5th, 1868.
To the Honorable, the Common Council of Alexandria City, Va.:

We the undersigned citizens of Alexandria City would most respectfully recommend to your favorable consideration, John N. Van Ness as a suitable person for the position of Scavenger, believing if you would see fit to elect him to said position, he would fulfill the office with fidelity, and pay strict attention to the same by attending to the duties of said office faithfully.

To the Honorable Board of Aldermen and City Council:
I respectfully ask of your honorable body the position of Night Scavenger. Having served in that capacity for the last six years, I feel thoroughly competent for the discharge of that duty. Respectfully,
HANNIBAL KING.

We the undersigned solicit the appointment of Hannibal King for the above position: Joseph Grigg, T. A. Stoutenburgh, J. A. Stoutenburgh, H. W. Loomis, R. C. Paer, J. M. Stewart, Sam'l. Miller, C. Whittlesey, E. L. White, Geo. C. Hewes, Robert Bell, J. L. Dyson, A. Moran, Jas. F. Carlin, Janney & Co.

ALEXANDRIA, April 20th, 1868.
To the Honorable the City Council of Alexandria:
GENTLEMEN: I am an applicant for Night Scavenger. I will feel obliged by you considering fairly my application, and will promise, if elected, to discharge the duties with satisfaction to the citizens of Alexandria.

I am gentlemen, your obedient servant,
J. A. SEATON.

We respectfully recommend J. A. Seaton as Night Scavenger: Josiah Millard, Wm. Bushby, Lewis McK. Bell, James F. Carlin, S. N. Garwood, Frank Wilson, S. Ferguson Beach, B. W. Gillis, Chas. R. Hoff, Wm. Wright.

Mr. Smoot stated that G. E. Price, the present incumbent, was a faithful officer, and deserved a re-election.

Mr. Neale said that the candidates, as announced, were four niggers and two whites.

Mr. Massey informed the gentleman from the 1st Ward (Mr. Neale) that three of the names of those announced as candidates, he was certain were those of colored men, and that for one of them he intended to vote.

Mr. McKenzie wanted to know if King had done all the work of the office for the last six years, as stated, for if so he intended to vote for him; and he availed himself of the opportunity to state that he had intended to vote for colored people to fill some of the Night Watchmen's positions, but had been prevented from doing so by the course pursued by that class, who had dared to degrade the people of this city by their nomination of such characters as Birrell and his set to represent Alexandria in the State Legislature—and, was proceeding with other remarks when he was called to order by Mr. Bell.

Mr. Neale said King had not done all the work of the office for the last six years. One man could not perform all the work to be done, and Mr. Price had to employ hands, of whom King had been one, but he had been paid for his labor as had been the other hands. He knew King well, had known him for years, and knew no good of him. Seaton, he believed, was honest, but he would not trust King with anything in his yard, for he had gone down on him once for \$75.

Mr. White was well acquainted with King, and had commenced a speech in favor of his election, when he was interrupted by Mr. Neale, who told him that he knew nothing at all about the subject of his encomiums.

Mr. Martin said that the incumbent, Mr. Price was known to all the members of the Council as a faithful officer, and as one who had performed his duties well. Other men had been elected to fill the desired office, and the citizens had been made to realize the effects of the election of improper officers, by having filth deposited in the streets, instead of beyond the Corporation limits. The incumbent had gone to the expense of procuring all the material for the efficient performance of the duties of his office, and in his opinion, had stronger claims to be retained in his position than had been presented by any of the black gentlemen who had offered themselves as candidates.

A ballot was then taken, with the following result: King, 10; Price, 7; Seaton, 2; Evans, 1. There being no election a second ballot gave King 10 votes, Price 9, and Evans 1.

On the third ballot King received 11 votes, and Price 8.

Mr. Neale now moved to adjourn, but as the fourth ballot had been commenced, the motion was not entertained, and the result of the ballot was announced to be King 9, Price 11.

The vote on the fifth ballot was King 11, Price 9.

Mr. Markell moved to adjourn, but the motion was lost.

Mr. McKenzie moved to pass over the election of scavenger, and the motion being put was decided by the Chair to have been carried, and a division being called for, the Chair's decision was sustained.

The Guardians of the Free School came next on the list of officers to be elected, and for those officers Mr. McKenzie moved that the present incumbents, Rev. J. T. Leftwich, E. Snowden, Jr., R. L. Carne, John S. Beach, and Nathaniel Boush, be re-elected, and the vote by ballot having been dispensed with, the present Board were unanimously re-elected.

The Treasurer of the Corporation was the last office to be filled, and for that office Mr. Bell nominated the present incumbent, Major W. D. Corse, who, on the first ballot, received 10 votes, and was declared elected.

Mr. Martin asked if the Treasurer would have to take the iron-clad oath.

The President, in reply, stated that he was unable definitely to answer the question, but he supposed not, from a late order of the military commander of the State.

Mr. Shirley said that if officers were required to take that oath, as the Treasurer was an officer of the Corporation, he certainly would have to subscribe to it.

Mr. Bell said whether the Treasurer subscribed to the oath or not, it was no business of

the Council—all it had to do was to elect the officer, and let him attend to the oath question.

Mr. Shirley said he wanted the matter settled, for from a late conversation he had held with Gen. Schofield upon the subject, he was of the opinion that the oath would have to be taken.

Mr. Bell replied that Gen. Schofield had nothing to do with the proceedings of the Alexandria City Council; and Mr. McKenzie moving that the Convention adjourn, his motion was carried, and the Board of Aldermen having retired, the Common Council adjourned till the next regular meeting.

PROPERTY SALES.—Two lots, near the corner of St. Asaph and Oranoco streets, were sold by J. H. Parrott, auctioneer, this morning, in front of the Mayor's office—one, fronting on St. Asaph street, to Mrs. Helen Cranford, for \$106, and the other, fronting on Oranoco street, to Daniel D. Gould, for \$57.

At the same time and place, J. A. Stoutenburgh, auctioneer, sold a frame house on the west side of Washington, between Wolfe and Wilkes streets, to H. Charles, for \$925; a brick building, adjoining the above on the south, to Charles Javins, for \$1030; and a brick building adjoining to I. Rammel, for \$1025.

COMMENDABLE HONESTY.—An old colored woman, named Lucy Williams, living on West street, on Friday last found a bag of money containing about sixty dollars in fractional currency. She brought it to the Mayor's office, and gave it to the Mayor to be returned to the owner, should enquiry be made for it. The money had been lost by Mr. John H. Watkins, who advertised it. The old woman will be suitably and liberally rewarded by Mr. Watkins, for her, in these days, exceptional honesty.

MR. BANGS' READINGS.—The Assembly Rooms were well filled last night by a select and appreciative audience to listen to the Dickens' readings by Mr. F. C. Bangs, and not one of those who were present regretted having attended the evening's entertainment. Mr. Bangs will read other selections from the same author this evening. A press of matter to-day prevents a more extended notice of Mr. Bangs' readings, but all who relish an hour or two of real enjoyment should hear him to-night.

BAIL FORFEITED.—Louisa Fisher, alias Mary Doyle, the woman arrested in this city some weeks ago for stealing a watch from Mr. Pippenburg, and who was bailed in the sum of \$200 for her appearance at Court, has left the city. Mr. Terry Ryan was her security. It is said that she was taken to Philadelphia by Washington detectives, to be used in ferreting out a heavy bond robbery there.

COMMITTED FOR GRAND LARCENY.—Harriet Hill, alias Mary Jones, the colored woman noticed in the Police Report in yesterday's Gazette as having been arrested on the charge of stealing a gold watch and other articles from a gentleman in Washington, was taken to that city yesterday, and after examination, was committed to jail for grand larceny.

DEMOLITION OF A WAREHOUSE.—The large frame warehouse, erected by the Government, during the war, on the corner of Princes and Union streets, but used for the last two years by Messrs. Monroe and Gomey as a fish packing houses is in progress of demolition, and its material is to be sold for lumber.

COMMITTED FOR COURT.—Henry Taylor, colored, indicted for an assault and intent to kill, but out on bail, had his security withdrawn yesterday, and would have escaped on a canal boat, to Cumberland this morning, had he not been arrested, after considerable trouble, by officer Burnett, and delivered to the Sheriff.

DISTURBANCE.—A disturbance, which occasioned some excitement in the neighborhood, was created last night, about ten o'clock, near the corner of Queen and Henry streets, but affairs there were quieted before the arrival of the police.

COLORS EXCURSION.—About one thousand colored people went from here to-day on an excursion to Falls Church. Several trains of cars on the Alexandria, Loudoun and Hampshire Railroad carried the excursionists to that place.

BISHOP WHITTLE, of the Protestant Episcopal Church, will, for the present, at least, (and we hope permanently) reside in Alexandria.

DEEDS.—Twenty-eight deeds were admitted to record in the clerk's office of this county during the month of June.

MARRIAGE LICENSES.—Fourteen marriage licenses were issued from the clerk's office of this county, during the month of June.

POLICE REPORT.—MAYOR'S OFFICE.—Martha Olin, colored, on complaint of Jane Jackson, colored, for disorderly conduct, was discharged, and the costs of the case assessed against each of the parties.

MASTERS' OFFICE.—Sela and Harriet Lucas, colored, for using threatening language towards Ann Gallagher, also colored, were discharged upon the payment of costs.

John Moore, a colored man, arrested in Washington, for stealing a cow and calf, valued at \$75, from Mr. S. V. Boyd, of this county, and trying to sell the same for \$20, was brought to this city, and committed to jail for examination by the Court.

NOTICE.—A meeting of the members of the GERMAN CO-OPERATIVE BUILDING ASSOCIATION will be held this (Wednesday) evening, July 1st, 1868, at 7 o'clock, at their hall, over John A. Arnold's Hat Store. Several loans will be disposed of.
